THE PEMBINA NEWS ADVERTISER

October 23, 1958

Vol. 3, No. 42

A. Playford, Editor.

Box 120, Drayton Valley, Alta.

PEMBINA LAND SALE BRING ALMOST 24 MILLION DOLLARS.

The Pembina field and the adjoining Key stone field both brought in good prices in the October 16 Crown Reserve Sale, although the acreage put up for bid in Swan Hills far outstripped all other areas in the bidding; for in that field a team of five oil companies bid the sum of \$4,220.23 per acre on a 320 acre parcel, with another company close behind them on another 320 acre parcel with a bid of 4,097.22 per acre.

In Pembina bidding was as follows:
All 31-47-6W5, Skelly Oil Co. \$83,840.
S4&M4 6-48-6W5, Swain Oils Ltd. \$31,000.
E1 13-49-7W5, E. Constantine Jr. \$72,875.
N5, 21 & E4 28-49-7W5, Colorado Oil & Gas Ltd. \$181,440.
N1 22 & S4 & NW4 27-49-7W5, Colorado Oil & Gas Ltd. \$165,400.
S1 & NW4 of 4 and all of 5-47-9W5, Dome Petroleum Ltd. \$241,600.
All 8 and W1 9-47-9W5, Dome Petroleum Ltd. \$210,800.
S4 1 and S4 of 2-50-9W5, Colorado Oil & Gas Co. \$21,400.
S1 & NW43 and E4 of 4-50-9W5, Champlin Oil and Refining Co. \$28,431.00
E4 9 & W4 10-50-9W5, bids rejected.
N4 32 & N4 33-47-10W5, bids rejected.
All 4-48-10W5, Ashland Oil, Fort St. John Petroleum, & Trinidad Central Oil Ltd. Westburne Oil Co. Ltd. and Whitehall Canadian Oil Ltd. \$6,566.00
All 5-48-10W5, bids rejected.
All 8-48-10W5, Sinclair Oil, \$156,211.
All 17-48-10W5, Sinclair Oil, \$156,211.
All 6-49-10W5, Canadian Keweenaw Ltd. \$186,275.
All 7-49-10W5, Canadian Keweenaw Ltd. \$225,600.
All 11-50-10W5, Swain Oils Ltd. \$41,000.
E4 12-50-10W5, Skelly Oil Co. \$50,083.
All 13-49-11W5, Can. Keweenaw, \$51,000.
All 14 & E4 15-49-11W5, Canadian Keweenaw, \$65,000.
E4 22 & W4 23-49-11W5, Can. Keweenaw, \$41,000.
W4 26 & E4 27-49-11W5, Can. Keweenaw, \$35,000.

In the Keystone field only one bid was rejected, a total of 2,076 acres brought in \$235,573.

DRAYTON VALLEY BUILDING PERMITS.

Drayton Valley's permanent population continued to grow with the addition of a number of permits issued for residences. (next column)

BUILDING PERMITS (continued)

Following is the list of those who have been issued permits recently:

Walter Durham, lot 13, blk 25, "
Ernest Berna, blk 22, addition.
Canadian Legion, lot 3, blk 5, hall.
Edwin Dahlgren, lot 26, blk 27, residence.

UNIVERSITY STUDENT LOSES PAPERS.

Aldo Kastropil, a graduate of the University of Yugo-Slavia, which is now in Communist dominated territory, had the misfortune to lose his wallet containing his University diploma, high school diploma and other valuable papers in Drayton Valley recently. The wallet also contained the sum of \$140, but Mr Kastropil does not mind the loss of the money so much as the university papers, since he cannot get any more as the Communist powers now controlling Yugo-Slavia would not re-issue any more papers for him of his university degree, as he escaped from the country some time ago, and came over to Canada. He has a degree in civil engineering but will need his papers to get a job here.

He is trying to earn enough money to bring his wife and little girl over from Yugo-Slavia, but so far has not been able to get a job without his documents.

Mr Kastropil is perfectly willing to let the money go as a reward to anyone who returns his important documents to him. They can be returned to him c/o Mr H.W. Pickup. They may be returned in a plain envelope.

KEN MASON'S COLUMN:

Political parties are continuing to lay the groundwork for the next provincial election, which will probably be held sometime next summer.

Social Credit became the first party to name a standard-bearer in the new north-riding of Dunvegan. The candidate is Joseph M. Sprague, formerly district farmer.

Dunvegan riding covers an area that used to be part of Peace River riding. Peace River was cut in half after years of bleeding by Social Credit Member W. F. Millard, who had too much territory to cover.

Meanwhile, Liberals have named their first candidate. He is John Mills, who will run for re-election in the Lac Ste. Anne constituency. Mr. Mills has held the seat since the 1955 election.

More Liberal nominating conventions will come after the party holds its leadership convention here in the capital city Oct. 31 and Nov. 1.

LOCK FOR increased government spending on scholarships, bursaries and students' allowances in the coming years.

Starting next year, the province is expected to spend around \$1,000,000 annually in aid to students, compared with about \$400,000 being spent this year. The aid is to ensure that no deserving student in Alberta will lack educational opportunities because of financial difficulty.

The education department and the university have set up a five-man committee to study the new aid program. D. R. Cameron, registrar of the department of education, is the chairman. The committee will make an interim report before the next session of the legislature, and will continue its studies next year. Outcome of the study may be establishment of provincial scholarship board.

AN UPBURST in oil exploration and development work is expected in the rich Swan Hills area of northern Alberta. Oil companies chattered out \$2,993,000 last week for rights to five parcels in the Swan Hills.

The Swan Hills area attracted the greatest attention in a government sale of oil and gas rights leases. A single parcel in the region brought \$1,350,000 from a team of five oil companies. Another company paid \$4,552,508 for four parcels containing 1,280 acres.

The oil and gas rights sale brought the government a total of \$10,150,418 to make it the biggest sale in the past year. It pushed to past \$70,000,000 the amount the government has received from oil and gas rights since 1947.

(cont'd next column)

Ken Mason's Column: (cont'd)

GOOD WEATHER this season has meant good progress on the province's \$50,000,000 main highway construction program.

Latest reports say contractors have finished 210 miles of grading, 246 miles of stabilized gravel base course work and 240 miles of surfacing. The grading work is 75 per cent complete, base course 88 per cent complete and surfacing 83 percent complete.

Final seal coating has been applied to 162 miles of highway to complete this phase of the year's program. Highways Minister Gordon Taylor says all work is well ahead of last year, and good weather has been the main factor.

Mr. Taylor announced the government will make an effort to ease winter unemployment by carrying on with as much road work as possible. A \$937,725 contract has just been awarded for work on the Mackenzie Highway in the north, and work will start on the rebuilding of a section of Highway 16 west of Edmonton.

INTEREST LACKING -- Two years ago the government set up what was intended to be a "master list" of voters. Registration books were made available in Edmonton, Calgary, Lethbridge and Medicine Hat. Any voter who took the trouble to register would be certain his name would be on the voters' list for the next election.

The registration is not intended to replace enumeration of voters before every election, but invariably there are complaints from voters who are missed by enumeration. The new scheme placed more of the onus of the voter.

After two years, there are 94,000 on the "master list" -- 68 in Edmonton, 18 in Calgary, eight in Lethbridge and five in Medicine Hat. Said Roy Chasick, clerk of the legislature: "People just haven't interested."

ROTARY WORKS OF KINDNESS -- Drayton Valley Rotary Club has been active in building a playground in the town of Huddles Park again. The club has been working on the playground since last spring. The club has been working on the playground since last spring. The club has been working on the playground since last spring.

IN Huddles Park there is now a playground with two more slides to come, six teeter-totters. The brand-new Maypole is getting a real work out.

Ideally located for children, the park will help fill a much-needed recreational place for all ages of youngsters. It was one of the first projects undertaken by the fledgling Rotary Club at its inauguration in 1955.

The Lions Den

Drayton Valley Lions had a goodly meet-
ing the evening of Tuesday, October 21,
when they enjoyed a meal in the Card-
ium Room and then saw a large number of
new members inducted into the club.

Some twenty-two members were inducted
into the club; however a number of them
were unable to be on hand for the induc-
tion ceremony, which was conducted by
Lion Paul Guenette of the South Edmonton
Club.

Those who were on hand for the induction
ceremony stood up with their sponsors
while Lion Paul read the induction char-
ges. Those received into the club at
the meeting were Gene Rendlesch, Irvin
Bendish, Ken Walters, Bill Repke, Bill
Cooch, Bob Sanders, Tom Henderson, Bert
Demers, John Woodie, Gerry Fergatad,
Jim Galt, Bill Hallorsan, Carmen
Fairman, Father Scriven, Tom McManus,
Herman Wollen, Bob Sumner, Mike Con-
stantine, and Bob MacLure. Those joining
who were absent from the meeting were
Bud Watkins, Bill Bryan, Art Krell, Wayne McLaren, Reg. Ross, and
Bob Harrington.

Visitors to the meeting were Murray
Clark, of Drayton Valley Rotary Club,
Don White of S.C., Calgary Lions Club,
and the group of Lions from the sponsor-
ing South Edmonton Club, Paul Guenette,
Jim Potter, Cliff Peterson and Jerry
Lundgren, who is secretary-treasurer of
the South Edmonton Club.

Rev. Fr. Scriven read the Induction
Prayer. In the absence of the regular
Tail Twister, Stu. Luman, Max Kirkman
carried the bronze Lion with the wide
open jaw to gobble up fines from unwary
members.

Past Charter President Jim Glenock assum-
ed the role of Historian for the evening
and read off the impressive list of ach-
ievements the club members have chalked
up in the past five months since organ-
ization in January of this year.

Past President Lion Jim listed the var-
ious projects the club had undertaken,
which includes the Street marking and
house numbering, shelving for the Lib-
rary, furnishing the room Drayton Valley
Municipal Hospital, Sponsoring a local
student for a three-week training course
in Recreational Programs, which was
held last summer in Red Deer, Assisted
in the Rodeo, Assisted Boy Scouts, and
the latest project is the building of
a hockey rink.

The hockey rink will be built beside
the Recreational Building. It will be
constructed similarly to the one at
Devon, which was also sponsored by the
Devon Lions Club.

The local club also sponsored three mem-
bers to go to the International Lions
Conference at Great Falls, Montana, last
summer.

ANGLICAN FELLOWSHIP DINNER.

The Annual Anglican Fellowship Dinner is to be held on Wednesday, November 5, at 7:00 p.m. in the Community Hall. This is an Annual Dinner, and it is hoped that attendance will be good. The Venerable T.W. Teape will address the gathering on the subject, "The Lambeth Conference."

DRAYTON VALLEY HIGHLIGHTS.

BY Edith Deby.

Mr. and Mrs. Rene Belva are happy to announce the arrival of their chosen son, Bradley Rene John, on September 3. His proud parents brought him home on October 7.

Mrs. Peter Anderson had a nasty fall in her home this week and at present is a patient in Drayton Valley Hospital.

Mrs. Bullock, who teaches grade three here is in the University Hospital where she is undergoing treatment. It is hoped she will be well enough to come home soon.

Mr. William Wollschlaeger sustained painful bruises in a car crash on Monday afternoon when an oncoming motorist made a left turn in front of him. Mr. Wollschlaeger's truck was badly damaged.

Mr. George Wallace suffered a heart attack last week and is now in Drayton Valley Hospital. His condition is described as satisfactory.

The W.I. held its regular monthly meeting at the home of Mrs. Frank Bosworth on Monday evening.

The members welcomed Mrs. Walter Krause, who transferred from St. Albert.

Mrs. Charles Dion received a silver coffee spoon, customary prize for ten months perfect attendance. Mrs. Moore gave the library report. The library has recently received generous donations from the Lion's Club, the Stony Plain School Division, the Rotary Club and the Town of Drayton Valley.

The bazaar articles knitted by Mrs. Manning were greatly admired. The welfare committee has assisted, with a donation of clothing, a family who lost its home by fire.

Mrs. Gordon Brown had a contest which was won by Mrs. Oscar. The guest speaker, Dr. Kupchenko, was introduced by Mrs. Moore. Dr. Kupchenko had chosen for his topic, "Education in Canada Compared with Education in Europe." Dr. Kupchenko felt that Canadian Schools taught much more Science, while European Schools offered a great deal more in the study of foreign languages. Both Dr. Kupchenko's talk and the question and answer period that followed were much enjoyed by his audience.

Drayton Valley W.I. celebrated its fourth anniversary with a cake made by Mrs. Gordon Brown. Mrs. Nordby was hostess.

The November meeting will be held at Mrs. Deby's home on November 17. All ladies interested in W.I. work are invited to attend.

HIGHLIGHTS, (continued)

Mr. and Mrs. George Hart lost their home in an early morning fire last Saturday. The Harts live at the Ohio Battery on Mr. George Wallace's farm, three miles west and half a mile south of Campton Corner.

The house was built by Mr. Dodson about sixteen years ago on a farm of his two miles south of Drayton Valley. The house was occupied by the Lainschbury family and later by Mr. and Mrs. Joe Pawluk. In 1952 the farm was sold to Mr. and Mrs. Hodgson. This summer the Hodgson's built a modern new house and the old one was sold to the Harts. The house had just been moved to the Battery site the day before it caught fire.

Mr. and Mrs. Hank Ryhnen, of Edson, spent the week end with the Nick Orshynas lately.

HERE AND THERE.

Lou Seramas, of the Cardium Theatre, Bill and his brother Jim Atkins, and Jehu MacKenzie took a fishing trip to eastern B.C. recently.

They visited the famous gold-rush country at Dawson, etc. At the famous mining town of Baker'sville they saw the gold claim where Billy Baker took out over \$350,000 in four months time.

They were in the Kootenais, at Cache Creek, Prince George and way points. Lou said the Yellowhead Highway was in fairly good condition.

Visiting her sister, Mrs. Arnie Larkins, is Vickie Schults, of Barrhead.

A visitor to her former hometown of Herbert, Saskatchewan, was Anne Dale, recently. To pay a return visit to the Dales and to Drayton Valley came her brother, Gus Jahnske, a retired farmer.

Visiting with Brick Edholm is Mr. and Mrs. W.R. Fox, who used to live at Round Valley. The Fox's keep up on things here by getting the P.N.A.

The helicopter which has been visiting D.V. is operated by Harvey Trace, of Associated Helicopters who brings Pete Rexborough, Engineer in Charge of Operation "We Built the Dam on the Brazeau" for Calgary Power. With Mr. Rexborough is Roger Wheatley, also an engineer. They are spending several weeks on the proposed dam site testing water flows and other factors. They come to D.V. for supplies and to telephone.

Jimmie Anderson, son of Mr. and Mrs. Anders Anderson of D.V. learned, just before his 20th birthday, that he had been appointed as Assistant Forest Ranger, one of the youngest to hold such a position.

H. Zolmar and C.D. Fuhr have been attending a Rotary District Institute in Red Deer. Hope they learn something.

Drayton Valley

Western mountains form a picturesque backdrop for the \$25,000,000. British American Oil Company plant opened recently at Pincher Creek, Alberta.

An outdoor barbecue for some 1,500 visitors, an address by Premier Manning and a cross-country telephone hook up to the Ontario Parliament buildings highlighted the dedication of the huge gas processing and sulphur plant near the foothills village.

High over the heads of the crowd assembled for the dedication, a flame of natural gas in the shape of a maple leaf dimmed as Premier E.C. Manning turned a valve symbolizing delivery of gas to the Alberta Gas Trunk Line and ultimately to markets in eastern Canada through the Trans-Canada Pipe Line.

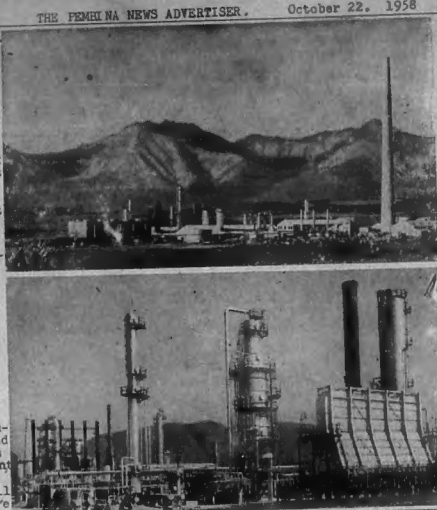

Premier Manning said recent reports of the Alberta Conservation Board indicated reserves of 233 trillion cubic feet, which are expected to increase within 30 years to 51 trillion. Of this amount, he said 44 trillion cubic feet would be surplus to all Canadian needs, and therefore available for export.

This week's contribution of this series was given by Ralph Wikander, presiding minister for Rocky Rapids congregation of Jehovah's Witnesses:

"Fear God, and keep his commandments; for this is the whole duty of man." Eccl. 12:13, 14. Without knowledge of these commandments it is impossible to keep them, and unless we keep them all we fall short of the greatest commandment—Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind." Also, we must love our neighbour as ourselves—Math. 22:36-40

These commandments of God are not oneday a week requirements, they extend into daily living. True Christianity does something for a person, it changes him. His whole outlook on life is changed, he becomes a new personality. Notice how far-reaching God's command is: "Strip off the old personality with its practices, and clothe yourselves with the new personality which through accurate knowledge is being renewed according to the image of the one who created it." Gal. 3:9, 10.

By a constant, thorough study of the Bible we appreciate the great love the Creator holds for those who obey him. We learn what He expects of us, we become responsible workmen in his service, we put into practice the principles of love outlined in 1 Cor. 13:4-7. "Love is long suffering and obliging. Love is not jealous, it does not brag, does not get puffed up, does not behave indecently, does not look after its own interests, does not keep (next column)

account of injury. It does not rejoice over unrighteousness, but rejoices with the truth. It bears all things, believes all things, hopes all things, endures all things" R. Wikander,

ROTARY CONDUCT DRIVE FOR BLIND.

This year's drive for the Blind Fund under CNIB auspices, put on again by the Rotary Club was even more successful than the two previous drives have been according to Rotary members.

A total of over \$220. was taken in for the Blind during the short drive. This year the Rotary Club enlisted the aid of about a dozen girls who took the CNIB boxes out on the street and collected from passersby.

The Tag sellers who assisted in the Drive were, Jo-Anne McLean, Vicky Harold, Linda Schenkel, Gale Sprand, Bonny Baxter, Margaret Hudson, Judy Argent, Penny Argent, Karen Anderson, Myrna Anderson, Mary Lou Anderson, Gail Patriguin, Faith Vig, and Susanna Brooks. Young master Jimmy Argent also assisted in the drive.

ALDER FLATS SCHOOL ADDITION.

Principle McGladery, of the Alder Flats School will soon have an addition to his school when the additional two classrooms, staffroom and washrooms are completed. When completed the school will be a six-room affair. Two rooms that are presently in use will be abandoned when the new classrooms are finished. The school takes pupils to grade 10.

Chevrolet Task-Force for '59 arrives!

New might! New models! New money-saving power!

Chevrolet's mighty new line for '59 rolls in with wonderful new ways to ride high costs right out of your operation. You find a new work-whipping lineup in every weight class, from spacious new Fleetside pickups and roomier panel bodies... through brawnier series 50H and 60H middle-weights... to a tougher than ever team of Chevrolet heavy duty haulers. There's sturdier new stamina in all models, too... tougher frames and axles, stronger suspensions to take all the punishment your toughest schedules can hand out. Chevrolet has mighty new money-saving talents for Fifty-Nine, engineered into each one of the powerful new engine line. From the aptly named Thriftmaster Six, through the new and vigorous V8 range, you find fresh cost cutting advantages in every model. Yes, the best sellers are better than ever... combining tremendous new developments with the traditional qualities that have made Chevrolet far and away Canada's number one truck. See your Chevrolet dealer today. He has the model that was made to fill your bill better than any other truck you've ever known.

Like all '59 Chevrolets, the Impala Sport Sedan is roomier, smoother riding.

what Canada wants, Canada gets in a Chevy!

'59 CHEVROLET

It's shaped to the modern Canadian taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen — a new kind of finish that keeps its lustre without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one. The 1959 Chevrolet is more than a restyled car — more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style. Designed to anticipate your desire for greater roominess and comfort. Engineered for greater safety, economy, ease of handling and smoothness of ride.

Your first look shows you that Chevrolet says new like nobody else. New Slimline design brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshields curves overhead — and there are bigger windows all around.

When you take the wheel, you begin to find that Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turbo-Glide.* Eight V8's plus a new Hi-Thrift 6 that goes and goes on a gallon. New and bigger brakes. Even new tires!

There's still more! A new Magic-Mirror finish that keeps its shine without waxing or polishing for up to three years. New Impala models. Wonderful new station wagons — including one with a rear-facing rear seat. And, with all that's new, you find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

*Extra-cost option.

Bel Air 4-Door Sedan — new right down to its tires.

ALL NEW ALL OVER AGAIN!

October 30, 1958

Vol. 3, No. 4. A. Playford, Publisher, Box 120, Drayton Valley, Alberta

BRIDGE DEDICATION NOV. 12

The bridge across the Saskatchewan River two miles east of Drayton Valley is to be officially dedicated in short ceremonies at the bridge site Wednesday, November 12, followed later by a dedication banquet to be held in the Cardium Room.

Among those present for the dedication ceremonies will be Honorable Gordon Taylor, head of the Department of Highways, a branch of which, the Bridge Department, erected the \$1,100,000. structure across the river during the summer of 1957. It is expected that Mr. McManus, head of the Bridge department will be on hand for the ceremony also.

Others will include Mr. Earl Ansley, MLA for Leduc Constituency, which extends to the east side of the river, and takes in the east approach to the bridge; Mr. Harold McLaughlin, MLA for Stony Plain Constituency, which includes the area from just east of Winterton to four townships west of Drayton Valley, including, of course, the west approach to the bridge. The Mayor of the Town of Drayton Valley will be on hand to represent the town, and a representative of the Chamber of Commerce, the sponsoring group for the dedication will also be on hand for the occasion, with other representatives of the various service clubs and other organizations of Drayton Valley.

It is expected that a representative of Canadian Coachways will be on hand for the ceremonies. Canadian Coachways plan on running buses in from Edmonton in the near future, over the new bridge. A junction will be made for bus service south to Calgary and other points at Alsike Corner.

The highway has been very well gravelled and finished from the bridge to Alsike Corner and now a very good road. The old #39 Highway from Calmar to the place where the junction is made with the new highway at Alsike Corner is being widened and improved. In some places it is being straightened and the entire stretch to #2 Highway at Leduc is being brought to standard for hard-topping and will make a very good road to Edmonton when completed, probably next summer. The railroad crossing at Sunnybrook is being eliminated as the highway will stay on the north side of the CPR tracks from Sunnybrook to Calmar.

The Banquet in the Cardium Room will start at 7:00 o'clock. Tickets are now being sold for the banquet. It is expected that, owing to the limited space in the Cardium Room the 150 seats available will be sold at an early date.

HOME AND SCHOOL MEETS.

The Drayton Valley Home and School reports a very successful meeting the evening of Monday, October 27, held in the School Auditorium. Attendance was an all-time high of 92 present for the meeting.

The meeting was the regular monthly meeting for the local Home and School group. A feature of the meeting was a talk given by Mr. Carruthers, head of School Safety Patrol for the A.M.A. on the work done by School Patrols in preventing accidents at school crossings. Mr. Carruthers also showed pictures of actual scenes of children stopping traffic to let school children cross the street to the school.

It is thought that a School Patrol would not be too effective unless the school yard was enclosed in a fence, with exit gates, that could be watched by the Patrol. Otherwise the children would do as they are doing now, run across the street at any place. The Home and School group have a little money on hand that might be applied toward fencing in the school yards, but so far no definite action has been taken, in the matter. Mr. Carruthers remained over in Drayton Valley and showed the pictures to the schoolchildren the following day; he also addressed the school children on safety practices.

Present for the meeting were two representatives from the Rotary Club, Anders Anderson and Murray Clark, and a representative from the Lions Club, Chief Constable, Al Kales, who was at the same time representing the Town of Drayton Valley Police Department at the Monday evening meeting.

The executive of the Home and School and the teachers were very encouraged at the fine turn-out to the meeting on Monday night and it is reported that thus far paid up memberships in the Home and School group are higher than during the entire season last year. So it is expected that interest will be better this year than it was last year. So far 51 members have paid up. Fee for the year is .75¢ per member.

Other business conducted by the H. & S. at their meeting was the nomination of another member to the Membership Committee, Mrs. Gray, and the authorization of the awarding of scholarships at the next meeting.
